

Also available on the [ITTF.com](http://ITTF.com) (Home > Equipment > Racket Coverings)

DATE OF PUBLICATION: 1 April 2018

The new rubbers entering LARC 2018A appear in **bold italics**, whilst other changes appear in **bold**, and both are **valid with immediate effect**. Racket coverings that are withdrawn, now appear on the last page and are valid until 30 June 2018. So don't forget to check the last page of the LARC if you cannot find the racket covering you're looking for.

**How to acknowledge a racket covering from LARC:**

1. Make certain that you have the correct LARC (see date of validity, it is published twice a year, in April and October. Pdf files to be found on our website at all times: [ITTF.com](http://ITTF.com)).
2. The supplier and brand names as well as the ITTF logo and eventually ITTF number should be clearly visible on the rubber.
3. These names should appear in the LARC and the moulded branding area should match the image on [ITTF.com](http://ITTF.com).

**LEGEND**

[R] or [B] Indicates that this brand name is available in only red or black respectively.

"In", "Anti", "Out", "Long" is the pimple type.

"Long" Under 'Pimple Type', this is used where the aspect ratio (= pimple height / pimple diameter) is larger than 0.89.

01) Supplier number, may appear in the rubber mould together with the ITTF logo.
