## Colin Deaton Table Tennis Academy Committee

The **CDTTA Committee** runs the club for the benefit of all the members. If there was no committee, there would be no club. Simple as that. One comment prior to the 2018 AGM namely 'What does the committee do anyway?' was not well received. Registering of teams and players, updating the membership database, dealing with finances, taking money on Tuesdays and Fridays, making new barriers, improving the lighting, creating a web site, emailing members are just some of the tasks taken on by un-paid volunteers.

**It would be appreciated if, on club evenings, all members could assist in the setting up of the tables, nets and barriers and then, when members finish, to return the equipment to the storage areas.**

At the last AGM, a revamped **CDTTA Constitution** was agreed. This is available to view on the Club website at [www.cdtta.co.uk](http://www.cdtta.co.uk) The Constitution requires a certain number of members for an AGM to go ahead. All Colin Deaton Table Tennis Academy members can attend and vote at the AGM. There will be some vacancies on the Committee next season. **Why not consider joining the Committee to help with the running of the Club?** The CDTTA Committee would welcome new committee members. The CDTTA AGM will be held later this year, when the Committee will be elected.
